Dear Sir;

### **RE: PURCHASE OF SCRAP ITEMS**

We, Ambassadors for Change Association which non-political and non-profit making association whose main objective is retaining and maintaining Kenya's glory where integrity should be the personal quality of an individual, who acts with fairness and sincerity, who has self-interest solution, and whose words are put into action. Hence your right is extended until it does not violate the right of the other - since your right is no more right than the right of anyone else. Our main objective is fighting and eradicating the chain of illegal and unlawful activities in our society by instilling psychology conscience {sense of right and wrong}. Our aim is be an exemplary to Kenyans to all work together where the Executive, the Judiciary, Parliament and the Citizens must work hand in hand if we are to deal effectively with the challenges standing in our way. In achieving this we intend to encourage our fellow citizens in exposing and fighting illegal, unlawful and criminal activities in the spirit of Harambee.

We intend to reform our own youth at Kibra and some of the ideas brought up is scrap and recycling activities. We have approached sponsors and donors who are willing to assist in this journey. They have requested us to give those industries/suppliers who we shall be dealing with. We ae hereby kindly requesting you if we can purchase scrap items e.g. metal, paper and plastics from your good company. If possible kindly give us your quotation for further directions. I pray that you will help us in this journey.

Hoping to hear from you soon. I remain

I remain;

Yours sincerely;
